The **Our White House**
Inauguration Celebration Kit for Kids!

Created by The National Children’s Book and Literacy Alliance
for parents, family members, teachers, librarians, and community leaders

The National Children’s Book and Literacy Alliance has created the Inauguration Celebration Kit to assist all adults who live and work with young people to engage with our kids in informed discussions about the presidency and American government, teach them to think critically, and energize them to learn more about the political process in America—using the presidency and inauguration as the focus.
